

## Central Unit

---

### Home Center 2 FGHC2

Item code: FGHC2 EU SW 4.X

EAN: 5902701700898

Description: Central managing unit for Fibaro System

### Home Center 2 FGHC2

Item code: FGHC2 EU SW 4.X BLACK

EAN: 5902701701130

Description: Central managing unit for Fibaro System

### Home Center Lite FGHCL

Item code: FGHCL EU SW 4.X

EAN: 5902701700881

Description: Central managing unit for Fibaro System

## Controllers

### Swipe Gesture Controller FGGC-001

Item code: FGGC-001 WHITE

EAN: FGGC-001 EU WHITE 5902020528821

Description: a revolutionary, battery-powered gesture control pad that allows you to control devices through gestures and sequences of gestures.

### KeyFob FGKF-601

Item code: FGKF-601

EAN: 5905279987562

Description: Compatible, battery-powered, compact remote control.

### The Button FGPB-101-1

Item code: FGPB-101-1 ZW5

EAN: 5902020528968

Description: Allows the user to run six pre-programmed scenes. Different scenes can be triggered with one to five clicks or by holding the button down.

### The Button FGPB-101-2

Item code: FGPB-101-2 ZW5

EAN: 5902020528944

Description: Allows the user to run six pre-programmed scenes. Different scenes can be triggered with one to five clicks or by holding the button down.

## The Button FGPB-101-3

Item code: FGPB-101-3 ZW5

EAN: 5902020528869

Description: Allows the user to run six pre-programmed scenes.  
Different scenes can be triggered with one to five clicks or by holding the button down.

## The Button FGPB-101-4

Item code: FGPB-101-4 ZW5

EAN: 5905279987203

Description: Allows the user to run six pre-programmed scenes.  
Different scenes can be triggered with one to five clicks or by holding the button down.

## The Button FGPB-101-5

Item code: FGPB-101-5 ZW5

EAN: 5905279987210

Description: Allows the user to run six pre-programmed scenes.  
Different scenes can be triggered with one to five clicks or by holding the button down.

## The Button FGPB-101-6

Item code: FGPB-101-6 ZW5

EAN: 5905279987227

Description: Allows the user to run six pre-programmed scenes.  
Different scenes can be triggered with one to five clicks or by holding the button down.

## The Button FGPB-101-7

Item code: FGPB-101-7 ZW5

EAN: 5905279987234

Description: Allows the user to run six pre-programmed scenes. Different scenes can be triggered with one to five clicks or by holding the button down.

## The Button FGPB-101-8

Item code: FGPB-101-8 ZW5

EAN: 5905279987241

Description: Allows the user to run six pre-programmed scenes. Different scenes can be triggered with one to five clicks or by holding the button down.

## Modules

### Dimmer 2 250W FGD-212

Item code: FGD-212 ZW5

EAN: 5902020528524

Description: works with any type of dimmable light sources

# FIBARO®

## HOME INTELLIGENCE

### Roller Shutter 2 FGR-222

Item code: FGR-222

EAN: 5902020528340

Description: Controls electric motors of roller blinds, venetian blinds, garage doors and such. Features an ultra precise positioning, and power metering functions.

### Single Switch 2 FGS-213

Item code: FGS-213 ZW5

EAN: 5902020528722

Description: Single circuit On/Off switch, designed for use in sockets.

### Double Switch 2 FGS-223

Item code: FGS-223 ZW5

EAN: 5902020528661

Description: Dual circuit On/Off switch, designed for use in sockets.

### Relay Switch 1x2,5kW FGS-212

Item code: FGS-212

EAN: 5902020528272

Description: Single circuit On/Off switch, designed for use in sockets.

## Relay Switch 2x1,5kW FGS-222

Item code: FGS-222

EAN: 5902020528289

Description: Dual circuit On/Off switch, designed for use in sockets.

## RGBW Controller FGRGBWM-441

Item code: FGRGBWM-441

EAN: 5902020528159

Description: LED light controller, compatible with RGB / RGBW LEDs and 12V-24V light sources. Supports up to 4 analogue sensors 0-10V. May be used as a dimmer with Halogen lamps.

## Bypass 2 FGB-002

Item code: FGB-002

EAN: 5902020528555

Description: Bypass for Fibaro Dimmer, designed for use with low energy consumption dimmable lights.

## Wall Plug FGWPE-102, FGWPF-102 (Schuko)

Item code: FGWPE-102 ZW5 EAN: 5902020528630

Item code: FGWPF-102 ZW5 EAN: 5902020528647

Description: wall plug with power consumption measuring function and unique, colour-changing, crystal LED ring.

Max load 2 500 W.

## Wall Plug FGWPG-111

Item code: FGWPG-111 ZW5

EAN: 5902701701185

Description: universal, Z-Wave compatible and remotely controlled plug-in switch with the ability to measure power and energy consumption.

## Sensors

### Flood Sensor FGFS-101

Product code: FGFS-101 ZW5

EAN: 5902020528357

Description: Flood Sensor with built in temperature sensor. Enhanced home safety and comfort owing to unique, sink-resistant design and wireless software update. Additional fire protection thanks to built in temperature sensor.

# FIBARO®

## HOME INTELLIGENCE

### Smoke Sensor FGSD-002

Item code: FGSD-002 ZW5

EAN: 5902020528265

Description: Smoke Sensor with built in temperature sensor.  
Enhanced home safety thanks to built in temperature sensor,  
allowing for detecting fire through rapid temperature change.

### Motion Sensor FGMS-001

Product code: FGMS-001 ZW5

EAN: 5902020528579

Description: Motion Sensor with built-in temperature sensor,  
featuring one of a kind earthquake detection functionality.

### Universal Binary Sensor

Item code: FGBS-001

EAN: 5902020528074

Description: The Universal Binary Sensor is a wireless  
module that makes it possible to improve the functionality of  
any sensor with a binary output by allowing it to communica  
te with the wireless Z-Wave network and the FIBARO  
system.

## Door / Window Sensor FGDW-002-1

Item code: FGDW-002-1 ZW5

EAN: 5902701700348

Description: The Fibaro Door / Window Sensor 2 is a battery powered, Z-Wave Plus compatible reed sensor. The Fibaro Door / Window Sensor detects the doors, windows, garage gates, roller blinds etc devices opening, through detaching its two elements.

## Door / Window Sensor FGDW-002-2

Item code: FGDW-002-2 ZW5

EAN: 5902701700355

Description: The Fibaro Door / Window Sensor 2 is a battery powered, Z-Wave Plus compatible reed sensor. The Fibaro Door / Window Sensor detects the doors, windows, garage gates, roller blinds etc devices opening, through detaching its two elements.

## Door / Window Sensor FGDW-002-3

Item code: FGDW-002-3 ZW5

EAN: 5902701700362

Description: The Fibaro Door / Window Sensor 2 is a battery powered, Z-Wave Plus compatible reed sensor. The Fibaro Door / Window Sensor detects the doors, windows, garage gates, roller blinds etc devices opening, through detaching its two elements.

## Door / Window Sensor FGDW-002-4

Item code: FGDW-002-4 ZW5

EAN: 5902701700379

Description: The Fibaro Door / Window Sensor 2 is a battery powered, Z-Wave Plus compatible reed sensor. The Fibaro Door / Window Sensor detects the doors, windows, garage gates, roller blinds etc devices opening, through detaching its two elements.

## Door / Window Sensor FGDW-002-5

Item code: FGDW-002-5 ZW5

EAN: 5902701700386

Description: The Fibaro Door / Window Sensor 2 is a battery powered, Z-Wave Plus compatible reed sensor. The Fibaro Door / Window Sensor detects the doors, windows, garage gates, roller blinds etc devices opening, through detaching its two elements.

## Door / Window Sensor FGDW-002-6

Item code: FGDW-002-6 ZW5

EAN: 5902701700393

Description: The Fibaro Door / Window Sensor 2 is a battery powered, Z-Wave Plus compatible reed sensor. The Fibaro Door / Window Sensor detects the doors, windows, garage gates, roller blinds etc devices opening, through detaching its two elements.

## Door / Window Sensor FGDW-002-7

Item code: FGDW-002-7 ZW5

EAN: 5902701700409

Description: The Fibaro Door / Window Sensor 2 is a battery powered, Z-Wave Plus compatible reed sensor. The Fibaro Door / Window Sensor detects the doors, windows, garage gates, roller blinds etc devices opening, through detaching its two elements.

## CO Sensor FGCD-001

Item code: FGCD-001 ZW5

EAN: 5902020528838

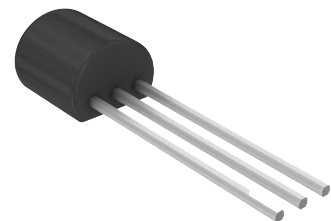

Description: FIBARO CO Sensor is an ultra-light, compact, battery-powered carbon monoxide detector, designed to be placed on a wall. Its high sensitivity allows to detect the presence of the carbon monoxide (CO) gas at the early stage in order to prevent carbon monoxide poisoning.

## Temperature Sensor DS

Item code: DS-001

EAN: 5902020528005

## Others

---

### The Heat Controller Starter Pack

Product code: The Heat Controller Starter Pack ZW5 EU

EAN: 5902701701079

Description: remotely controlled thermostatic head to control temperature in your room. It can be mounted without tools on three types of thermostatic radiator valves.

Set of two devices:

The Heat Controller FGT-001

Temperature Sensor FGBRS-001

### The Heat Controller

Product code: FGT-001 ZW5 EU

EAN: 5902701701062

Description: remotely controlled thermostatic head to control temperature in your room. It can be mounted without tools on three types of thermostatic radiator valves.

### Temperature Sensor

Product code: FGBRS-001

EAN: 5902701701055

Description: wireless temperature sensor which can be used with FIBARO The Heat Controller to provide best temperature regulation. One head can be paired with only one sensor, but one sensor can be paired with three heads.

## Intercom FGIC-001

Item code: FGIC-001

EAN: 5902701701109

Description: The FIBARO Intercom (FGIC-001) is a smart/intelligent and multi-functional video intercom, allowing communication between the resident of the house and a person calling him and continuous control over the access to the house. A wide-angle lens (180 degrees), night mode and Full HD video quality enable you to monitor and view the situation at the front door from wherever you are in the world.

## Startrer Kits

---

### Starter KIT EU

Product code: Starter KIT EU ZW5

EAN: 5902701700010

Set contains: Home Center Lite, Flood Sensor, Motion Sensor, Smoke Sensor 2, Wall Plug F (Schuko), Door/Window Sensor FGDW-002-1.

### Starter KIT FR

Product code: Starter KIT FR ZW5

EAN: 5902701700027

Set contains: Home Center Lite, Flood Sensor, Motion Sensor, Smoke Sensor 2, Wall Plug E Door/Window Sensor FGDW-002-1.

# FIBARO®

## HOME INTELLIGENCE

### Starter KIT SE

Product code: Starter KIT SE ZW5

EAN: 5902701700034

Set contains: Home Center Lite, Flood Sensor,  
Motion Sensor, Smoke Sensor 2, Wall Plug F (Schuko),  
Door/Window Sensor FGDW-002-1.

### Starter KIT RU

Product code: Starter KIT RU ZW5

EAN: 5902020528319

Set contains: Home Center Lite, Flood Sensor,  
Motion Sensor, Smoke Sensor 2, Wall Plug F (Schuko)  
Door/Window Sensor FGDW-002-1.
